Meet ELAN developers at ICON XI

The developers of ELAN will be attending the 11th International Conference on Cognitive Neuroscience (ICON XI) that will be held on 25-29 September 2011 in Mallorca, Spain ([Link to ICON XI meeting](#) ^[1]). We would be happy to meet you there and show you a demo of the ELAN toolbox or answer any questions you might have!

ELAN citation reference

Here is the ELAN paper reference which we kindly ask you to cite in all future publications in which you use ELAN:
